It is a condition of the insurance applied for that the following Minimum Operational Requirements will be in place and remain in place for the duration of the insurance term.

1. The Accident Report Forms supplied by the Insurer will be completed and submitted to the Insurer in the event of any known incident involving bodily injury or property damage.
2. The facility must be maintained in good repair for the purpose the property is intended, including fencing and stabling areas. 3. Signs must be posted cautioning the public that horses are present.
4. The entire premises (barns, rings, means of access for horses, riders, cars, trucks, trailers, other participants and the general public) will be examined in advance of the shows/competitions to identify any specific safety hazards for the specific show/competition and a strategy which removes or minimizes any hazards will be implemented.
5. Hazardous materials and any equipment presenting a danger will be stored out of the reach of spectators, participants and animals.
6. Access to competition areas will be strictly limited to officials, competitors and emergency personnel. 7. Spectators will be restricted to certain controlled areas for parking, seating and viewing.
8. Horses will be separated from spectators while on the premises.
9. Dogs will not be allowed on site unless they are kept under control and on a leash.
10. Designated "warm-up" areas will be provided with no lounging allowed while others are riding.
11. Rules of conduct for the exercise and warm-up areas should be posted and enforced.
12. Only qualified officials, judges, course designers, and/or stewards will be used.
13. A safety officer will be appointed and will conduct regular spot checks to assure new hazards have not appeared and that controlled hazards remain under control.
14. Medical personnel with First Aid and CPR or trained Paramedics will be on site for the duration of the shows/competitions. 15. Congestion on the premises will be controlled to provide access for emergency vehicles.
16. Water will be available for both horses and riders.
17. A policy will be established to deal with unruly or unsafe animals who are present at the event and all participants will agree in advance to comply with this policy.
18. A strict code of ethics and rules for the show/competition will be provided to all participants in advance of the shows/competitions.
19. Everyone involved in the preparation and running of the shows/competitions will be fully informed of these requirements and will agree to their enforcement.
20. I understand that this insurance does not cover any claims arising directly or indirectly from any communicable disease.

state that I have read the above information. I state that I understand the above information. I understand it is a condition of the insurance contract that the above "Operational Requirements" will be in place and remain in place throughout the term of the insurance contract. I understand that any non-compliance with any of the above stated "Operational Requirements" that contributes to a loss may render the contract of insurance null and void, and any loss resulting or arising out of such non-compliance may not be covered by the contract of insurance.
